

A TRAVEL INTO THE HEART OF SAUDI CULTURE

Al Madinah city represents a majestic historical tourist destination, making it one of the main destinations for millions of Muslims from all over the world.

But the Al-Madinah province is not only this: thanks to Slow Food Travel you can rediscover its gastronomic treasures and meet Slow Food communities made up of farmers, cheesemakers, herders, butchers, bakers, along with the chefs who cook their products.

Visitors can also enjoy interactive experiences at an **organic farm**, including cooking classes, mint picking, honey tasting, and crafting beeswax products. Alternatively, they can immerse themselves in the Bedouin way of life or unwind with an evening by the fire, enjoying stargazing under the open sky.
